

Guideline

The result of this project should be a **personal digital presentation of the novel** you have read.

It should show your creative skills, should be appealing to the eye and easy to handle.

Regarding content, it should offer information **in English** on the items below:

- **the author**
- **the genre** (crime story, science fiction, love story, horror, ...)
- **the setting of time and place**
- **the plot**
- **the main character(s)**
- **the main topics**
- **linguistic aspects**
- **some reviews** (including your own!)

In case you draw on material from the Internet, respect the copyrights and quote the source(s).
